

We need your

Please help us help you better!

You may have received *Aging Successfully* for years - or maybe this is your first issue. Perhaps you've attended conferences we have sponsored. Please take 5 minutes and answer these questions. When you're finished, please fax it to 314-894-6614. (If you wish, you may complete this survey online at <http://tiny.cc/geriatricsurvey>.)

We take what you say seriously! We base future articles and conferences on the needs expressed here. Here's your chance! Let us have your opinion, please.

**Thank
You**

<p>What is your discipline (Select one):</p> <p><input type="radio"/> Nursing</p> <p><input type="radio"/> Nursing Home Admin</p> <p><input type="radio"/> Occupational Therapy</p> <p><input type="radio"/> Pharmacy</p> <p><input type="radio"/> Physical Therapy</p> <p><input type="radio"/> Physician</p> <p><input type="radio"/> Nurse Practitioner</p> <p><input type="radio"/> Social Work</p> <p><input type="radio"/> Other _____</p> <p><input type="radio"/> Chiropractor</p> <p><input type="radio"/> Psychology</p> <p><input type="radio"/> Public Health</p> <p><input type="radio"/> Dietician</p> <p><input type="radio"/> Chaplain/Spiritual Advisor</p>	<p>Please indicate your 3 most preferred options for receiving Geriatric Continuing Education.</p> <p><input type="radio"/> Off-site face-to-face seminars/workshops</p> <p><input type="radio"/> On-site face-to-face seminars/workshops</p> <p><input type="radio"/> Grand rounds</p> <p><input type="radio"/> Teleconference</p> <p><input type="radio"/> Large Conferences (100 or more people)</p> <p><input type="radio"/> Small Conferences (less than 100 people)</p> <p><input type="radio"/> Web-based seminars</p>	<p>Have you made any changes in your patient care, service, or teaching as a result of either receiving the <i>Aging Successfully</i> newsletter or attending continuing education programs in geriatrics?</p> <p><input type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p>How important is Geriatric Continuing Education to your professional responsibilities? (Mark one)</p> <p><input type="radio"/> Very important</p> <p><input type="radio"/> Somewhat important</p> <p><input type="radio"/> Not very important</p> <p><input type="radio"/> Not at all important</p>	<p>Do you provide healthcare in a medically underserved area or to a medically underserved population?</p> <p><input type="radio"/> Yes <input type="radio"/> No</p>	<p>If yes, please indicate the area(s) in which the changes were made. (Mark all that apply.)</p> <p><input type="radio"/> Patient Care <input type="radio"/> Service <input type="radio"/> Teaching</p> <p>Please provide examples of the types of changes you have made. _____</p> <p>_____</p> <p>_____</p> <p>_____</p>

Please indicate the five (5) Geriatric Continuing Education topics that best apply to your work from each of the boxes below.

GERIATRIC SYNDROMES	<input type="radio"/> Alcoholism/Drug abuse	<input type="radio"/> Dementia/Alzheimer's Disease	<input type="radio"/> Hearing and vision deficits	<input type="radio"/> Physiology of Aging
	<input type="radio"/> Arthritis	<input type="radio"/> Depression/Anxiety	<input type="radio"/> Hypertension/stroke	<input type="radio"/> Sarcopenia
	<input type="radio"/> Cancer	<input type="radio"/> Diabetes Mellitus	<input type="radio"/> Incontinence	<input type="radio"/> Sexual Dysfunction
	<input type="radio"/> Cardiovascular disease	<input type="radio"/> Emergency Preparedness	<input type="radio"/> Infectious diseases	<input type="radio"/> Skin breakdown
	<input type="radio"/> Communication disorders	<input type="radio"/> Falls assessment and prevention	<input type="radio"/> Nutrition	<input type="radio"/> Sleep disorders
<input type="radio"/> Death, dying, grief	<input type="radio"/> Frailty	<input type="radio"/> Obesity		
<input type="radio"/> Delirium	<input type="radio"/> Gait and balance disorders	<input type="radio"/> Osteoporosis		

IMPROVING SERVICES	<input type="radio"/> Assessing functional levels	<input type="radio"/> Leadership skills	<input type="radio"/> Polypharmacy
	<input type="radio"/> Building interdisciplinary teams	<input type="radio"/> Managing disruptive behavior	<input type="radio"/> Primary care
